Certification of Appoquinimink, Brandywine, Christina, and Colonial School Board Elections

Mr. Albence called the meeting to order at about 2:10 p.m. on May 20, 2019, in the New Castle County Office's Board Room.

Also attending: State Election Commissioner Elaine Manlove, Appoquinimink School Board Candidate Norman A. Abrams, Jr., and Howard G. Sholl, Jr. were present.

Mr. Albence, Mr. Sholl and Commissioner Manlove discussed the May 14th School Board Elections and agreed to certify the Brandywine, Christina and Colonial School Board Elections.

Commissioner Manlove shared that the Department had received a request from Appoquinimink School Board candidate Leland Kent, Jr; requesting a recount. The Department agreed to conduct the requested recount, and to defer certification of the Appoquinimink School Board Election until after the New Castle County Office could conclude the recount. Mr Abrams provided some comments regarding the Appoquinimink School Board's efforts to educate candidates regarding the duties and responsibilities of School Board members.

Discussion ensued regarding the post-election review of the results by the New Castle Office that identified a discrepancy in the unofficial Appoquinimink results. They determined that the discrepancy was because media with test data had inadvertently been read into the vote tally system on Election Night. The vote margin between Mr Abrams and Mr Kent increased from 2 to 4 votes after factoring out the test data. Mr. Kent requested a recount in a letter sent to Commissioner Manlove.

Following this discussion, Mr. Albence recessed the meeting at about 2:30 p.m., and asked everyone to reconvene at the New Castle Office's warehouse as soon as possible to begin the recount the Appoquinimink ballots.

Mr Albence reconvened the meeting at the warehouse at approximately 3 p.m. Leland Kent, Jr. joined the group at the warehouse to observe the recount. Nine additional members of the New Castle Office's staff and 1 additional person from the State Election Commissioner's staff conducted or assisted the recount. The recount confirmed that Mr Abrams won the election by 4 votes. It further confirmed that after the test data was removed from the

Election Night results that the Expressvote XL machine votes were 100% accurate.

Mr. Albence recommended that the results be certified as official and Commissioner Manlove and Mr. Sholl agreed.

In the letter to Commissioner Manlove and following the recount, Mr Kent expressed his concern that Ms. Hummel who had withdrawn on April 8th had remained on the ballot, and despite notices in the polling places she had received 14 votes.

The New Castle County Office and Commissioner Manlove explained to Mr Kent that the 2019 School Board Elections were conducted as a Statewide event. This meant that removing Ms Hummel from the ballot would have made it necessary for all three counties to re-burn media, re-test and re-prepare the equipment for the School Board Elections. Due to the late withdrawal, and conduct of referenda in each county between April 8 and May 14, training and familiarization with new hardware and software, changing the database and re-burning the media would have seriously compromised the Department's ability to successfully conduct the referenda as well as the School Board Elections.

Mr. Albence adjourned the meeting at about 3:50 p.m.

Respectfully submitted,

Anthony J. Albence
County Director

Howard G. Sholl, Jr.
Deputy County Director
